Dear Board of Directors,

This is to inform you all that due to my personal reasons and other commitments, it will not be possible for me to carry out my duties as a director in your company. I am therefore resigning from the Board of Greycells Education Limited as of today.

I would be grateful if you could inform the concerned institutions of my decision, in order to regulate the process.

I wish you all the best on your future endeavors.

Your sincerely,

Yajurvindra Singh Bilkha
